The Stables at Turtle Lake is by far the most prestigious trophy property in Oakland County. This estate once served as a working farm in the late 1800s. Through the years, the integrity of this estate has been maintained through careful planning and watchful maintenance. Within the expansive pastures are a set of original 1920s buildings comprising of an immaculate 9,260 square foot Horse Stable and Cow Pen, a 5,000 square foot Dairy Barn and Silo, and a 648 square foot multi-use building. The property provides endless possibilities to build the ultimate equestrian estate. It is hard to imagine that such a setting still exists within Bloomfield Hills. Property consists of two parcels. The adjacent 5.74 acres is also available for sale (MLS # 466221)
